Description

Comet XT Ice skates take a lot of the frustration out of the ice skating experience for parents and kids alike. The Comet XT Ice is a 4 size adjustable skate with an easy to use push-button system allowing it to grow with the child's feet. It is a great value product kids can use for multiple years that parents can also share with younger siblings when the child grows out of them. Comet XT Ice skates are comfortable the moment kids put them on because of the well padded liner and supportive structure. These convenient skates are an ideal option from renting skates and provide a positive and enjoyable experience on the ice. Kids of all skating levels and abilities will benefit from the support, comfort and value of the Comet XT Ice. While the blades may seem sharp, it is always best to sharpen new ice skates before the first use to ensure optimal performance on the ice.

FEATURES:

- **THE PERFECT RECREATIONAL ICE SKATE FOR KIDS** features an adjustable sizing system, comfort, convenience and style. Kids of all skating abilities will benefit from its performance and versatility.
